Re: *United States v Leland Robinson*, 20 Cr. 448 (KMK)

Your Honor:

As you may recall, I was recently appointed to act as the “legal advisor” for Leland Robinson in the referenced case. Today, I met with Mr. Robinson and we discussed, *inter alia*, the suppression hearing now scheduled for April 26, 2023. Mr. Robinson informed me that there are certain investigative steps he wished to pursue prior to the suppression hearing, but it was unclear whether those could be completed prior to the hearing.

Accordingly, we suggest that a conference be scheduled as soon as is convenient for this Court. At the conference, the parties can discuss whether the suppression hearing should be postponed. Also at the conference I hope to clarify with this Court the expectations for me in my role as legal advisor.

The Court will hold a conference on

3/29/23 3:30

So Ordered.

Respectfully submitted,

/s/
